Data Usage Agreement for the 2020 LREC Workshop on Cross-Language Search and Summarization of Text and Speech

It is hereby agreed that limitations on access to, use of, disclosure and distribution of the data furnished by the U.S. Government for use in the 2020 LREC Workshop on Cross-Language Search and Summarization of Text and Speech include the following.

It is understood that the U.S. Government Data, consisting of
- audio recordings in non-English languages,
- any transcriptions and translations of those audio recordings,
- English-language queries, and
- any relevance annotations

are furnished by the U.S. Government for use in the 2020 LREC Workshop on Cross-Language Search and Summarization of Text and Speech and are considered to be owned by IARPA (Intelligence Advanced Research Projects Activity).

The participant in the 2020 LREC Workshop shall not access, use, disclose or distribute that Government data outside of purposes directly related to the workshop.

The 2020 LREC Workshop participant agrees that all members of its research team, will conform to all such access, use, disclosure and distribution prohibitions and obligations, as stated above.

These access, use, disclosure and distribution prohibitions and obligations shall survive the end of the 2020 LREC Workshop, and the U.S. Government Data shall not be retained or used after the end of the Workshop, unless so authorized by IARPA.
