

LBSC 690 Final Grading Form

Final Project

Student Name:

Aspect to Grade	Points	Comments
Content	#/25	This is where I comment about the content you have chosen to support for your website tool. (e.g., have you given your user all they need to accomplish their online exhibition or presenting their Ambassador program activities?)
Tool Use	#/35	This is where I comment about how you have used the technologies you learned in class (e.g., does the tool you created use technologies appropriately? does it demonstrate the breadth of your knowledge?)
Class Presentation	#/20	This is where I comment about the presentation you made in class. You will be assessed on your presentation's content and structure (e.g., was it a good talk? Did you present the content well?)
TOTAL	#/80	This is where I summarize your work and assess the overall strengths and weaknesses.
